Approximate extent of site obscured by woodland, to the north, and filtered by the tree lined stream corridor to the east

Hedge along the B4015 Oxford Road

New woodland belt ties into existing woodland to screen panels to the north

Image continued below

Approximate extent of site obscured by woodland, to the north, and filtered by the tree lined stream corridor to the east

New woodland belt ties into existing woodland to screen panels to the north

Enhanced planting along the stream contributes to the additional screening and filtering of views to the panels

Hedge along the A415 Abingdon Road
